Amitha M V

Bilingual Language Specialist (English & Kannada) | Editing, LLM Evaluation & Localization

Bengaluru / Remote · +91 94485 12260 · amithamv7@gmail.com · linkedin.com/in/amitha-m-v-631162235

SUMMARY

Editor and language specialist with 3+ years in news sub-editing, research editing and AI language work. Evaluates and improves AI-generated text and speech in English and Kannada, edits long-form research content, and translates between the two languages. UGC-NET qualified in Journalism and Mass Communication.

SKILLS

Editing	Copy editing, proofreading, fact-checking, headline writing, style guides and glossaries
AI language data	LLM output evaluation, ASR dataset review, TTS evaluation, annotation, transcription, prompt refinement (Label Studio, Dataloop)
Translation	English to Kannada and Kannada to English translation, transcreation, localization
Tools	Google Workspace, Microsoft Office, Canva, Adobe InDesign
Languages	English (full professional proficiency) · Kannada (native)

EXPERIENCE

Content Localization Specialist (Kannada) | Wadhwani Foundation · Remote · Full-time — Aug 2026 - Oct 2026

- Review AI-generated Kannada courseware against the English source for accuracy, readability and teaching value.
- Built an evaluation rubric that flags translation errors, tone problems and dialect issues in machine output.
- Work with instructional designers and subject experts to adapt the curriculum for Kannada-speaking learners.
- Refine prompts and review steps to reduce recurring errors in generated content.

Content Editor | Kavi Research · Bengaluru · Full-time — Aug 2025 – Jul 2026

- Edited and proofread English research reports, long-form articles and client deliverables.
- Rewrote complex analysis into clear text for non-specialist readers, following client style guides.
- Wrote an internal style sheet and glossary that cut recurring editing errors in team drafts by over 20%.
- Fact-checked figures and citations before publication on tight deadlines.

Linguist | Ola Krutrim · Bengaluru · Full-time — Mar 2025 – Aug 2025

- Created, translated, annotated and transcribed Kannada language data for generative AI, chat assistants and speech systems.
- Reviewed and corrected Kannada speech data for the ASR program, contributing to a 4% improvement in baseline recognition accuracy.
- Rated text-to-speech output for naturalness, tone and pronunciation across regional dialects, using Dataloop and Label Studio.
- Advised engineering and ML teams on Kannada language questions, including safety, sentiment and dialect coverage.

News Sub-Editor | Vijayavani · Bengaluru — Jun 2024 – Feb 2025

- Sub-edited the Vidyarthi-Udyoga Mitra student careers edition and district (mofussil) pages for Karnataka's largest-circulated daily.
- Edited and rewrote daily news copy; wrote headlines and intros and planned page layouts with designers.
- Checked copy for legal, factual and ethical accuracy across education, governance, culture and regional news.

Content Writer | Digital Pitaa · Remote — Jul 2021 – Dec 2021

- Wrote video scripts, landing page copy and social media campaigns for 11+ B2B brands.

EDUCATION

M.A., Journalism & Mass Communication | SDM College, Ujire · Karnataka — 2024

- Coursework in digital journalism, media law, editing and publication design.
- Editorial board member for the college journals *Avatarana*, *Pratidhvani* and *Chiguru*.

UGC-NET, Journalism & Mass Communication | NTA · Qualified for Assistant Professor — May 2023
